

MVSB James D. Sutherland Memorial Scholarship Application

The MVSB James D. Sutherland Memorial Scholarship is awarded annually to one graduating senior from each public high school located in the towns/cities where MVSB (Meredith Village Savings Bank) has a branch office. The most current list of eligible communities and schools is available at mvsb.com/about/community-involvement/

This scholarship was created to honor the memory of James D. Sutherland, who served as President and CEO of MVSB from 1982 to 1996. In the spirit of Jim Sutherland's leadership and commitment to community, recipients should reflect MVSB's values of accountability, excellence, integrity, mutuality, respect, stewardship, and teamwork.

Each high school selects its scholarship recipient. Please return your completed application to your high school guidance office by your school's deadline. If you have any questions, your guidance office will be happy to help.

We love celebrating our scholarship recipients. Winners may be featured in an MVSB press release and on our website and social media channels. If you are selected, we will ask you to share a photo and the names of your parent(s) or legal guardian(s). If you are under age 18, we will also provide a release form that must be signed by a parent or legal guardian.
