

FUNDS AVAILABILITY POLICY

Our policy is to make funds from your check deposits, available to you on the first business day after the day we receive your deposit. The first \$225.00 of your deposits may be available on the first business day after the day we receive your deposit. Cash, checks drawn on us (with available funds) and electronic direct deposits will be available on the day we receive the deposit.

ATM cash deposits will be available on the day we receive the deposit. ATM check deposits made before 3:00 PM on a regular business day will be available to you on the first business day after the day we receive your deposit. The first \$225.00 from check deposits made at one of our ATMs will be available on the day we receive the deposit for withdrawal at the ATM. Once funds are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit. Fees will be assessed for items presented against uncollected funds, insufficient funds and returned deposited items.

For determining the availability of your deposit, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before end of business day (varies by branch office location) on a business day that we are open, we will consider that day to be the day of deposit. However, if you make a deposit on a day we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. However the first \$225.00 of your deposits may be available on the first business day after the day of your deposit.

If we are not going to make all of the funds from your deposit available, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.

- You deposit checks totaling more than \$5,525 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the fifth business day after the day of your deposit.

HOLDS ON OTHER FUNDS

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from deposits of cash, an on-us check (with available funds) and electronic direct deposits will be available on the day we receive the deposit.

The first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,525.00 will be available for withdrawal not later than the fifth business day following the banking day on which funds are deposited.

Funds from all other check will be available for withdrawal on the fifth business day after the day of your deposit.
