

We Make
Homeownership
Happen

Imagine what you could do with an additional \$2,000 each year...

With the NH Housing **Homebuyer Tax Credit Program**, homebuyers can save up to \$2,000 annually for the life of their loan. Imagine that.

- The NH Housing Homebuyer Tax Credit Program provides borrowers with a Mortgage Credit Certificate (MCC).
- It provides a federal tax credit of up to \$2,000 each year for as long as you pay mortgage interest and occupy the home.
- This decreases the taxes you owe and may boost your take-home pay, which can help you qualify for a mortgage.
