Lending Solutions for Your Every Need

MVSB offers flexible repayment terms, competitive rates, quick approvals and great service. Our solutions can be the difference between dreaming about something and finally being able to make it happen.

Tailored Loans for Powered Vehicles and Essential Equipment

We offer financing options for:

- New and used boats and personal watercraft
- New and used automobiles and motorcycles
- RVs
- Snowmobiles
- Equipment for private use such as tractors and wood-splitters

Our team of personal loan experts are well-versed in the specific financing details for each of these items. They're ready and eager to collaborate with you and the seller or dealer to pinpoint the perfect financing solution that suits your needs.

Collateral Loans

Collateral loans provide funding secured by your actual savings or investments. MVSb has very competitive terms that let you borrow up to 70% of your stock values or 95% of your savings.

Unsecured Home Improvement Loans

A fixed rate, unsecured loan can help you fund home repairs, remodeling, a new roof, a new patio or driveway, and more, without tapping into your home's equity.

Home Equity Loans and Lines of Credit

A variable-rate Home Equity Line of Credit (HELOC) or a fixed-rate Home Equity Loan allows you to use the equity that you have built in your home to make improvements or to handle other expenses – such as paying for an education or funding a dream event or trip.
