Cash Management

Take greater control of your business finances with tools designed to help you manage cash flow, initiate ACH payments, transfer funds, and monitor account activity with confidence.

Lockbox

Speed up receivables and improve cash flow by having customer payments processed quickly and securely through our Lockbox service.

Merchant Services

Accept credit and debit card payments quickly, securely, and conveniently with payment processing solutions tailored to your business.

Remote Deposit

Save valuable time by depositing checks directly from your office. Remote Deposit lets you make deposits securely without making a trip to the bank.

Sub-Accounting

Simplify account management by organizing funds within one master account. Sub-Accounting helps you track balances for multiple departments, projects, or purposes while reducing the need for separate accounts.

Protect Your Business

Positive Pay

Help safeguard your business against check and ACH fraud. Positive Pay compares issued checks and authorized ACH transactions against those presented for payment, helping identify suspicious activity before it's processed.
