

Love Where You Bank

Love a Bank With Roots

For more than a century and a half, we've helped families put down roots, businesses expand and communities prosper.

Our longevity provides something increasingly rare in banking: stability, consistency and a long-term commitment to the people we serve.

Love a Bank Built Around You

As a mutual savings bank, MVSB does not answer to outside stockholders. That means our focus remains where it belongs: on customers, employees and communities.

Rather than pursuing short-term profits for investors, we invest in stronger customer experiences, better products, local expertise, community partnerships and long-lasting relationships. It's a different way of banking, and one that puts people first.

Love Personal Service and Modern Convenience

You shouldn't have to choose between technology and personal service.

MVSB combines the digital tools and conveniences you expect and need with local professionals who are ready to answer questions, provide guidance and build lasting relationships. It's banking that's both modern and personal.

Love a Bank That You Can Grow With

Your financial needs change throughout life. Your bank should be ready for every stage.

From everyday checking and savings accounts to mortgages, business banking, financial planning and trust services through our partnership with NHTrust*, MVSB offers the expertise and resources to help you navigate every chapter of your financial journey.

**Please note that NHTrust is an affiliate of MVSB, and is not a bank, nor part of a bank. Financial planning and trust services from NHTrust are Not FDIC Insured, Not a Bank Deposit and May Lose Value.*

Love Local Decision-Making

Big decisions shouldn't have to travel hundreds of miles for approval.

At MVSB, lending and banking decisions remain close to home. Our local teams understand the communities we serve, the opportunities they present and the challenges they face. That local knowledge helps us provide personalized solutions and responsive service when it matters most.

Love Knowing Your Money Stays Local

Where you bank matters.

The deposits entrusted to MVSB help support local mortgages, business growth, nonprofit organizations and community development throughout the Seacoast, Mount Washington Valley and Lakes Regions. When you bank locally, your money works locally, helping strengthen the economy and improve quality of life in the communities we all share.

Love a Bank That Knows and Supports Your Community

We are proud to support the organizations and projects that help make our communities better places for all of us to live and work. Our exceptional employees donate thousands of hours to nonprofits in their neighborhoods each year and we're proud to support their efforts.

We believe that access to financial knowledge is essential to building stronger individuals, families, and communities. That is why we are committed to providing free educational resources that empower all community members to make informed financial decisions throughout every stage of life.

Through online learning tools and complimentary seminars, we offer practical guidance on topics such as fraud prevention, first-time home buying, and banking fundamentals. Our commitment extends beyond our own programs through scholarships and support for nonprofit organizations that provide financial education and financial literacy services.

Love a Bank That Believes Caring Still Matters

At MVSB, caring is at the heart of everything we do.

You'll find it in every interaction, every conversation and every decision. We believe banking should feel personal because people matter. Communities matter. Relationships matter.

Choose MVSB.
Love Where You Bank.
